

New Season, New Booster Club, New Vision!

Join us this year to raise funds for our athletes and gym, build our LVA community and support our broader Las Vegas community. We look forward to an amazing season with fun events!

What is the Booster Club?

We are a non-profit organization in support of Las Vegas Allstars. We focus on creating community for our families and raising funds to invest in our gym, as well as provide fundraising opportunities to our athletes to offset competition costs.

Booster Club will sponsor two major fundraisers and host numerous events throughout the season. Proceeds from Gym Fundraisers are used towards future events, gym equipment, gym enhancement/maintenance, and the end of season banquet.
