- *What if I have a vacation planned for my child and family during Summer?*
  - We understand that family trips and memories happen. Our only ask for the summer is “If your child is not on vacation, please make sure they are at practice.” The summer is a vital and crucial time to work on skills, so attendance is appreciated.

- What are levels and what does that mean after team placements?
  - All athletes will be placed on teams that fit their skill level at the time of sign-ups. Athletes will compete amongst other team skill sets to ensure a fair and fun competition experience. No matter what level your athlete is on, LVA wins in multiple levels and divisions. We train champions at every level.
- When do we need to attend practices?
  - Athletes are expected to be at every practice unless sick (contagious illness is considered sick, having a headache is not) and must notify the gym that they will not be at practice.
    - Mandatory practices will begin the week before school starts in August. The athletes will learn their choreography and routines during this time. ATTENDANCE IS MANDATORY. Athletes who are not able to make choreography will need to schedule a private lesson, at an additional cost to learn the routines.
  - Cheerleading is truly a “TEAM SPORT” and everyone is valued and needed for the team’s success. If one person is missing the puzzle is incomplete.
    - Please do not use “missing cheer” as a form of punishment.
- When and where do we compete and travel?
  - LVA will provide a competition schedule mid-summer with where we are planning to compete along with dates. Competitions are NEVER to be missed and are what we work for all year long. Please plan family events and trips around the competition schedule.
    - Exciting news to share for our ELITE program, LVA will be traveling to HAWAII for a year-end-competition. ALOHA!
- How do I stay up to date on all things LVA?
  - LVA will send weekly and monthly updates via email. We also have a Facebook group page that will have information shared daily. We recommend that you join this page after your athlete has been placed on a team. In addition, follow us on Instagram, Twitter and Tik Tok.
- When will I found out which team my athlete will make?
  - Sunday 6/5/22. We will provide each family with an email on team placements, practices days and times in your PARENT HANDBOOK. The coaches will also be listed for you to become familiar with.
- What are the rules associated with LVA once I become a cheerleader on a team?
  - LVA will provide a copy of our rules and regulations which apply to both athletes and parents. Please note that we are a cheerleading gym and not a sorority. It is not LVA’s responsibility to handle and or manage social interactions amongst parents and or athletes. We encourage all parents and athletes to interact amongst one another in a professional and respectful manner.
