PRACTICES

Please try your best to plan all personal events and extra-curricular activities outside of the practice schedule. Missing practice due to a conflicting practice or rehearsal for another commitment is unacceptable unless prior approval from the coach.

In any instance that practice must be missed, you must notify the coaching staff at least 7 days prior to missed practice by filling out an absence request form. This helps allow the coaching staff to place athletes on accurate teams and performance spots in a routine.

Absence Request forms are available at the gym and online under the “Forms” page at www.LVAcheer.com. The entire form must be turned in to the coach prior to missing practice.

NOTE: Parents, please try to refrain from keeping athletes from practice as a punishment as this only hurts the team as a whole. If an issue arises please communicate with the coach.

Competition season may become hectic which may lead to extended or additional practice times. This is to ensure all athletes are completely ready to perform. We ask that you try your hardest to work with us during these times as we are doing it to better the performance value.

Please keep in mind that missing any practice within TWO WEEKS of an upcoming competition will amount in a \$65 fine.
